

Big Interview

Big Interview is an online program that helps you improve your interviewing skills. This is available to all students. Whether you're interviewing for an internship, job or for graduate school admission, Big Interview has tools to boost your confidence about the interview process.

Students have at their disposal a variety of tools including:

- Challenging, virtual mock interviews for all experience levels and dozens of industries
- A database of thousands of interview questions with tips on how to answer them
- The ability to rate and share interview answers for feedback

To Register

- Go to gmercyu.biginterview.com and click Register.
- Enter your GMercyU email address, name, and password, and click Create my Account.
- Log in and start using Big Interview.

Share Your Practice Interviews and Get Feedback

- Go to My Videos in the top navigation bar
- Select each video you would like to share with others for feedback. Use the "Select all" button to select all of your videos
- Choose the blue Share button at the top of the page.
- To share with Career Development, enter the email address, cd@gmercyu.edu or anyone else you would like to share your answers with and receive their feedback.
- Use the Actions column to re-record your answer, delete your answer, or self-rate your answer.

Additional Items

- Big Interview also has an App, which you use to conduct your practice interview.
- You can also schedule an in-person practice interview with Career Development by emailing us at cd@gmercyu.edu
