

# **Career Outcomes Survey Report**

Undergraduate Degrees  
August 2023-May 2024

## **Information**

This report contains information from graduates responding to the Career Outcomes Survey for graduating classes in August 2023, December 2023 and May 2024. Data was gathered from individual graduates, online sources, and faculty. These methods of reporting outcome data follow the guidelines established by the National Association of Colleges and Employers (NACE). Information in this survey reflects career outcome results for graduates approximately four to six months after their graduation.

This Career Outcomes Survey Report provides a summary of the results. Please refer to the survey results data spreadsheet for specific academic program information.

## **Summary**

Approximately 96% of the respondents from the August 2023-May 2024 graduating classes are either employed full-time, part-time, or attending graduate school. Approximately 86% of graduates said they would recommend Gwynedd Mercy University to a friend or family member.
