Commuter Students

All Commuters Students have \$50 in Commuter Dining Dollars. This \$50 is a mandatory charge on the students billing statement (in both the Fall and Spring semesters), that is applied to your student ID card to use for food purchases on campus.

If a student chooses to purchase any Meal plan, the \$50 will go towards the cost of that plan. In addition to the meal plans above we also have a 50-Block plan for Commuters only. Please [click here to see the pricing](#) of the available meal plans.

- Please know the Commuter Dining dollars will expire at the end of the Spring semester, so please utilize the funds on your card during the academic year.

If you would like to add additional funds to your card, but do not want to purchase a Meal Plan, you can add Flex Funds. If you would like to add Flex funds to your account, please [click here for instructions](#).

If you are interested in a commuter meal plan, or have any questions about the meal plans, please email the Campbell Solution Center at csc@gmercyu.edu.
