

Installment Payment Plans:

Please note: Students in *Online Programs* are not able to sign up for the payment plan due to the accelerated nature of the program and the length of courses.

Our Monthly Payment Plan is through Touchnet, our secure payment provider. The plan allows you to pay for the semester charges monthly as listed below.

You may sign up for the payment plan through the Self-Service icon on your portal. Click on the **Student Finance** tile. On the next page, select **Make a Payment** on the right listed under Helpful Links. From there choose **Payment Plans** (on the grey tool bar at the top of the screen) and then **Enroll in a Payment Plan**. Please note, this payment plan is the only approved installment plan the University will recognize.

Please continue to read below the payment plan chart for more important details.
